NARCISSUS (DAFFODILS) GOLDEN SPUR

*The Finest and Largest Block on the Pacific Coast
Grown Under Contract Especially For Us*

THE BRIGHTON NURSERIES, LINWOOD, N. J.

F. Rynveld & Sons, 350 Greenwich St., New York. May 31, 1929.

Dear Sirs:—We want to compliment you on the crop of Golden Spur Narcissus shipped to us last fall. They flowered earlier and produced more flowers per bulb than any stock we have ever handled.

The bulbs were received by us early in October and were potted up immediately and plunged outdoors. They were taken into the greenhouse December 20th in a temperature of 50 degrees, shifting within a week's time to a temperature of 65 degrees, and we cut the first flowers January 15th.

The bulbs produced an average of three flowers per bulb, and it is needless to say that with this large percentage of flowers blooming at the early date, we were able to obtain an excellent return.

Yours Sincerely, BRIGHTON NURSERIES.

When growing experience demonstrated rather conclusively that satisfactory bulbs of Golden Spur could not be produced successfully in the eastern bulb fields, it looked as though American greenhouse men were to be permanently deprived of this most popular forcing variety; but fortunately a small section has been found that grows them splendidly. And fortunately for us and our customers we were able to effect arrangements that gives us control of the whole stock. Last season we distributed good lots to a few of our customers, and without exception the forcing results were excellent.

PRICES:

	F. O. B. New York	F. O. B. Portland, Ore.
		Best for West'n Customers
Large Double Nose Bulbs,	1,000 \$90.00	1,000 \$84.00
Large Single Nose Bulbs,	1,000 65.00	1,000 60.00

SIR WATKIN

On our own farms on Long Island we have the largest plantings of Daffodils in the state, and there is every promise of harvesting an excellent crop. We are making a special offer at this time of "Sir Watkin," which is one of the leading commercial kinds and the easiest one to handle for either forcing or outside planting.

Price F. O. B. Growing Station, Yaphank, L. I.
Double Nose Bulbs, per 1,000, \$75.00

A complete list of Narcissus and Daffodils will be shown in our fall catalog, which will be issued September 1st. Or we can send special quotations now if you want them.

SOLEIL D'OR

(Yellow Paper White)

Pure golden yellow. We have the largest block of these ever assembled at one place, and our Florida bulbs give excellent results. Can be bloomed just as easily as Paperwhites and no trouble is experienced in getting them into flower for the Xmas holidays.

	100	1000

15 Ctm.	10.00	95.00

DOUBLE ROMAN

"Constantinople"

This is possibly the most fragrant of all Narcissus. Large, full double flowers produced in clusters. Easily forced or grown in the home.

Per 100, \$6.00; per 1,000, \$55.00.

Narcissus—PAPER WHITE GRANDIFLORA
Showing a made-up bowl growing in water

CHINESE SACRED LILY

(Narc. Tazetta Orientalis)

The bulbs we are producing in Florida are much finer than ever came from China. They do not have that crab-like appearance of the imported stock but are more solid and flower more readily.

We have advocated their use by Florists, for we are sure that the flowers will find a ready market. They are also very popular for house culture.

First Size Bulbs.... 100 \$8.00; 1,000 \$75.00
Mammoth Bulbs.... 100 9.50; 1,000 85.00

Rosy lilac with orange center.
Per 100, \$2.75; per 1,000, \$26.00

SPECIOSUS

Rich deep blue.
Per 100, \$2.75; per 1,000, \$26.00

COLCHICUM AUTUMNALE MAJOR

These unique bulbs bloom in early fall and the foliage follows in the spring. They flower readily in the home without planting. The color is rosy lavender. Ready in August.

Per doz., \$3.00; per 100, \$20.00;
per 1,000, \$175.00

CROCUS ZONATUS

TRITONIA CROCATA

This is an old and perhaps somewhat neglected bulb that has recently received much attention as one of the most strikingly brilliant and interesting of winter and spring forcing bulbs. The flowers are bright orange scarlet and make a most attractive pot or pan plant.

We have been growing quite a quantity of these for the past few years, and have a fine stock to offer of large, plump, forcing bulbs.

Price per 100, \$4.50; per 1,000, \$40.00

OXALIS

These are becoming very much in demand for winter forcing. Successive crops may be had from November till late spring by planting at intervals from August onwards. They are most effective planted in pans, 1 1/2 to 2 inch intervals between bulbs, and make delightful subjects for rooms, sun parlors, etc., simply covering themselves with bloom. Florists will find these good sellers, either dormant or as blooming plants.

Bermuda Buttercup	1.85	16.00

TRITONIA CROCATA

ZEPHYRANTHES CANDIDA

This is the fall flowering white variety which is very attractive for the late summer garden. It is specially adapted for growing in bowls with fibre, and with very little attention is readily flowered in a short time, making it an excellent store item.

Per 100, \$3.00; per 1,000, \$25.00

IXIAS

(California-grown)

Ixias offer exceptional possibilities as a cool grown greenhouse flower. The California bulbs are much healthier and more robust than the imported.

Named Kinds—Yellow, red, mauve, primrose and white with eye.

Per 1,000, \$15.00;
10,000, \$125.00

The Big Growers Pick These For Late Winter Forcing

IRIS FILIFOLIA "IMPERATOR"

IRIS TINGITANA

While this Iris is an uncertain producer with some growers, we have many others who tell us that they are getting splendid results, and we believe that it is all a matter of handling. It is a good money maker for those who can grow it. We offer the finest California bulbs.

Per 100, \$7.50; per 1,000, \$65.00

IRIS FILIFOLIA "IMPERATOR"

For years this great Blue forcing Iris has been creating much favorable comment at leading spring flower shows, and growers are unanimous in their opinion of its great value as a forcing cut-flower.

American-grown bulbs are proving very satisfactory and excellent blooming percentages are reported by growers.

Per 100, \$6.00; per 1,000, \$50.00
